

# BaBar

## Status

- Simulation Production
  - Soon?
  - Have run on non-BaBar Resources
- Analysis
  - Intended in near future
- Data Distribution
  - Limited use of SRB
- Distributed Computing **works**

## Issues

- Non-evolutionary changes
  - Prevents deployment
  - Continued (wasted?) development
- (Related) Interoperability
  - US/Europe
  - Platform support
- Lack of US University Interest
  - BaBar only?
